**“The level of nurture and
care is outstanding”**

Ofsted report 2012

**Where every child is
an important individual**

“The school values every adult and pupil as an individual”

Ofsted report 2012

“My children love going to school and we are proud to be a part of it”

Parent comment

Harvington C. E. First & Nursery School provides a Christian, caring, stable family environment which supports development of the whole child. We believe ALL children should be developed to their fullest potential. From the moment a child enters our school, we strive to equip them with the best tools for life and to offer a mix of subjects and activities that provide rich, memorable experiences.

“Teachers ensure the classrooms are lively and exciting places”

Ofsted report 2012

Interesting and exciting lessons keep children motivated and determined to succeed. Children learn through exciting themes, making extensive use of the school’s fullyequipped ICT suite, iPads and laptops. Specialist staff teach languages, sport and music. By the time children leave our school, their attainment in English and maths is well above average, giving them a firm foundation for the next stage of their education.

“Pupils’ achievement in phonics is impressive”

Ofsted report 2012

We place a strong emphasis on reading, writing and maths, but we do not forget how to have fun! Pupils take part in a range of trips ranging from exploring the parish church to a three-day residential visit to the Malvern Outdoor Centre. The school has its own beautiful and extensive grounds, including a purpose-built area for forest school lessons. The gazebos, quiet areas, mound and tunnel, and story-telling area provide scope for adventurous and imaginative play.

“Pupils love coming to school”

Ofsted report 2012

“Makes you happy when you see others happy”

Pupil comment

“..outstanding teaching of reading”
